Profile

Analytical problem-solver I can recognize problem areas, and I am able to evaluate the possible alternatives as well as implement effective solutions. Flexible, Adaptable I learn very quickly and can adapt easily to new work environments, new procedures, new technologies, and new policies.

Reliable, Self-motivator I consistently strive to achieve new levels of performance, welcome new projects, and require little, if any, direct supervision. I enjoy gathering, organizing, and analyzing information, working in groups and contributing to project strategies. My focus is to utilize my strengths in problem-solving to make a positive impact.
